NEW PRODUCTS! – Shampoo : Conditioner : Liquid Wash

In keeping with ET's policy of only using high quality ingredients that are best for sensitive skin we have developed these products without using any of the traditional Sulphates, Parabens, Ethoxylates, Silicons or Petrochemicals. They are also Free of artificial colourings & fragrances. Due to the moisturising properties of Emu Oil & the superior mildness of the carefully selected ingredients, these products are especially suited to those with sensitivities & allergies.

Eucalyptus Lip Balm Due to the popularity of our Natural & Orange Lip Balms we have added Eucalyptus to our range. One of the few Lip Balms on the market that is 100% NATURAL using Shea Butter, Canauba Wax & Beeswax as a base with added Vit E, Rosehip oil & Hypericum for superior moisturising & protection.

Success Stories

Itching

I recently tried your product on a skin problem I had on my foot for a number of years. It has made a remarkable difference and because it is natural and not cortisone based I can use it as often as I like.

Also, my husband is a surfer and got bitten by sea lice. He applied the emu oil and it made them stop itching.

So it's obviously a good product. Thank you so much.

EMU Humour

The Half-Wit

A man owns a small emu farm in Victoria. The Victorian Dept. of Workplace Relations claimed he was not paying proper wages to his help and sent an agent out to interview him.

'I need a list of your employees and how much you pay them,' demanded the agent.

'Well,' replied the farmer, 'there's my farm hand who's been with me for 3 years. I pay him \$200 a week plus free room and board. The cook has been here for 18 months, and I pay her \$150 per week plus free room and board. Then there's the half-wit who works about 18 hours every day and does about 90% of all the work around here. He makes about \$10 per week, pays his own room and board, and I buy him a bottle of wine every Saturday night. He also sleeps with my wife occasionally.'

'That's the guy I want to talk to...the half-wit,' said the agent.

'That would be me,' replied the farmer.

RESEARCH

A report has recently been released highlighting the effectiveness of emu oil for muscular conditions, especially when compared to an over the counter NSAID.
