What our customers say

Best hand and body wash

I've been using this wash for some time and find it excellent for my previously dry/sensitive skin. The flakiness has gone and my skin looks so much healthier. And it's so economical and easy to use too.

-Marcia

EMU OIL liquid wash
Hand & Body
Cleanse & nourish while preserving the skin's natural oils
200ml e

100% natural ingredients to combat bacteria and germs.

Emu Tracks Liquid Wash is an exceptionally mild but highly effective hand wash with the healing and moisturising properties of Emu Oil, Lavender and Eucalyptus.

This handwash won't cause drying of the skin with overuse and is targeted to those suffering with skin complaints like eczema, dermatitis and psoriasis.
