## Why is Emu Oil a more effective moisturiser?

Emu Oil offers exceptional penetrating properties to more efficiently carry moisture and nutrients deep beneath the skin surface, unlike most ingredients that sit on top of the skin.

[Emu Oil Moisturiser](#) and [Hydrating Lotion](#) offer the ultimate in moisture delivery to dehydrated, dry and rough skin. Specifically formulated using a unique blend of Emu Oil and natural plant extracts to soothe, nourish, rejuvenate and regenerate sensitive and delicate skin.

Emu Tracks products are particularly designed for people with skin-related issues.

Give your skin the care it deserves!
